Get into the car
We'll be the passenger
We'll ride through the city tonight
See the city's ripped back-sides
We'll see the bright and hollow sky
We'll see the stars that shine so bright
Stars made for us tonight

Oh the passenger
How, how he rides
Oh, the passenger
He rides and he rides
He looks through his window
What does he see?
He sees the sight of hollow sky
He sees the stars come out tonight
He sees the city's ripped backsides
He sees the winding ocean drive
And everything was made for you and me
All of it was made for you and me
But it just belongs to you and me
So lets take a ride and see what's mine

La-La Teil

Oh, the passenger
He rides and he rides
He sees things from under glass
He looks through his window side
He sees the things he knows are his
He sees the bright and hollow sky
He sees the city sleep at night
He sees the stars are out tonight
And all of it is yours and mine
And all of it is yours and mine
So let's ride and ride and ride and ride
